WHITACRE GREER

CLAY BRICK PAVERS

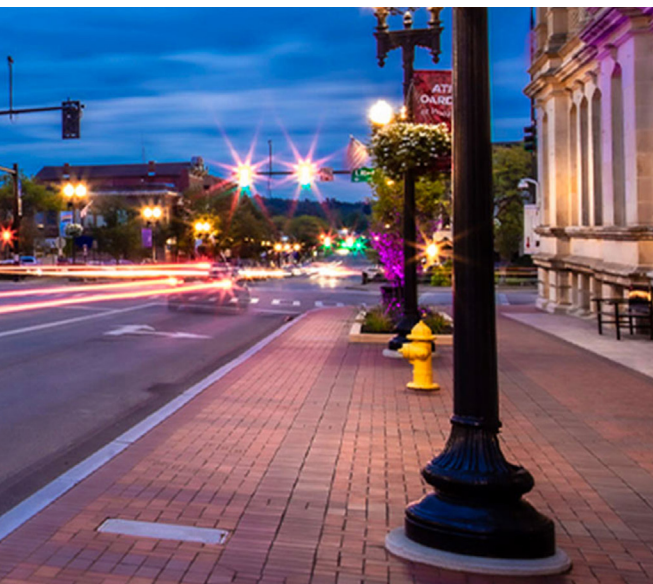

Classic Smooth
or Cobbled

Is your
landscape
lacking?

Capture the charm of peaceful European villages and picturesque college towns.

Founded more than a hundred years ago, **Whitacre Greer manufactures clay pavers for residential, commercial, municipal, or institutional use.** Made in the USA, Whitacre Greer pavers are used in projects all across the United States. They are the paver of choice for many colleges and universities including Emory University, Georgia Institute of Technology, the University of Maryland, and the University of Dayton.

Safety and peace of mind.

Whitacre Greer vacuum dry-pressed pavers comply with all applicable industry standards. **Learn more about safety and peace of mind from Whitacre Greer at wgpaver.com.**

COLORS AND FINISHES

Creative Possibilities

While other brick and paver companies only offer a few pre-mixed blends for customers to choose from, Whitacre Greer clay and cobbled pavers are produced with each specific project and customer in mind and available in a variety of brick patterns and earth-tone colors that never fade.

Want more options? We can create new color blends and brick patterns to match your taste and needs.
